ATTACHMENT A1

The Subject Property is a black Emachines computer tower bearing serial number PTND5P200115001CFE3000 which was recovered from the LA Courier Services office at 64 N. Weiss Street, Manville, New Jersey on April 16, 2013 and which is currently in the custody of the Department of Homeland Security, Homeland Security Investigations.

ATTACHMENT B1

DESCRIPTION OF ITEMS TO BE SEARCHED AND SEIZED

The property to be searched and seized is evidence, contraband, fruits, and instrumentalities relating to violations of Title 18 U.S.C. §§ 371, 545, 922(e), 1715 and 21 U.S.C. §§ 952 and 963 (the Specified Federal Offenses), consisting of:

Any and all computer software, including programs to run operating systems, applications (such as word processing, graphics, or spreadsheet programs), utilities, compilers, interpreters, and communications programs, including, but not limited to, peer-to-peer software (which refers to software used to access a network in which participating computers can share files with one another directly, without requiring the use of an intermediary server. Users access these networks through software that allows users to search for and share files across the network);

Any subscriber information, contact information to include, names, addresses, telephone numbers, email addresses, or other identifiers;

Any photographs, video, and audio files;

Any email messages, chats, multimedia messages, installed applications, or other electronic communications;

Any calendar, note, password, or dictionary entries;

Any Internet or browser entries or history;

Any system, data, or configuration information contained within the device.

Any and all notes, documents, records, or correspondence, in any format or medium (including, but not limited to, e-mail messages, chat logs and electronic messages, other digital data files and web cache information) concerning the ownership or use of the computer to be searched and any items or content thereon.

Records, in whatever form, of personal and business activities relating to the operation and ownership of the computer systems, such as telephone records, notes, books, diaries, and reference materials.

Records, in whatever form, pertaining to accounts held with Internet Service Providers or of Internet use.

As used above, the terms records, documents, programs, applications, or materials include records, documents, programs, applications or materials created, modified or stored in any form, including electronic media.
